

RAM PROMASTER CREW VAN

The perfect solution for transporting people and cargo!

CREW VAN BENEFITS

Transporting crew to the jobsite with their gear and materials is significantly more convenient when your Work Van is fitted with a Snoeks Bench Seat Partition Package. Convenient, comfortable and well-designed, safely fitted by one of the trained upfitters.

Although strong, the construction is lightweight, resulting in minimum sacrifice in payload. The Crew Van is designed to accommodate under-seat loading for longer items. The comfortable 3 seater bench is best in class, offering 22 inches in width per seat, and comes with the integrated high impact safety partition to keep your crew safe from shifting cargo.

Other benefits associated with our safety partition, are the improved heating and cooling capabilities, as well as the reduction of noises from the cargo area. The Crew Van is designed for the toughest work environments.

- Safe transportation for up to 6 people (FMVSS compliant)
- Comfortable 3-seater bench, 22 inches wide per seat
- Under seat loading for longer items
- Full protection from shifting cargo
- High remaining volume and payload
- Tools stored dry and securely
